

[Dm] "Blackbeard said, **[C]** "Blimey! You're **[Am]** both off the **[Gm]** track.

[Bb] Let's paint it **[C]** something more **[Am]** handsome, like **[A]** black."

[Dm] "Blue!" Shouted **[Am]** Bluebeard, and **[C]** Redbeard yelled, **[Gm]** "Red!"

[Bb] Blackbeard said, **[C]** "Black! Are you **[Am]** cracked in the **[Dm]** head?"

And he sang, **[Dm]** "Yo ho **[Am]** ho, give me **[C]** deep, dark **[Gm]** black

From **[Bb]** starboard to **[C]** port, from the **[Am]** front to the **[A]** back.

As **[Dm]** sure as I **[Am]** sail by the **[C]** Northern **[Gm]** star,

[Bb] black's a spect **[C]** acular **[Am]** color. **[Dm]** Arrr!"

/// /// /// ///

[Dm] Redbeard grabbed **[Am]** brushes and **[C]** buckets and **[Gm]** paints

[Bb] Over his **[C]** shipmates in **[Am]** sistent com**[A]** plaints.

[Dm] Rather than **[Am]** letting him **[C]** paint the ship **[Gm]** red,

They **[Bb]** got some blue **[C]** paint and **[Am]** black paint in **[Dm]** stead.

[Dm] Swiftly the **[Am]** three of them **[C]** painted their **[Gm]** boat,

[Bb] each a **[C]** completely dis**[Am]** similar **[A]** coat,

[Dm] Making a **[Am]** color not **[C]** red, black or **[Gm]** blue;

[Bb] Mixing, in **[C]** stead, an en**[Am]** tirely new **[Dm]** hue.

[Dm] That was the **[Am]** last that was **[C]** seen of the **[Gm]** three

[Bb] Simply be**[C]** cause they re**[Am]** fused to a**[A]**gree.

They **[Dm]** weren't tor**[Am]** pedoed or **[C]** shelled or har**[Gm]**pooned.

They **[Bb]** just disa**[C]** ppeared, for their **[Am]** ship was ma**[Dm]** rooned.

/// /// /// ///

And sometimes on a foggy night at sea,

you can still hear them singin'...

[Dm] "Yo ho **[Am]** ho and a **[C]** bottle of **[Gm]** pop

We **[Bb]** painted our **[C]** ship from the **[Am]** bottom to the **[A]** top.

As **[Dm]** sure as we **[Am]** sail by the **[C]** Northern **[Gm]** star

(Bluebeard) **[Bb]** Blue's the most **[C]** beautiful...

(Redbeard) No! **[Bb]** Red's the most **[C]** radiant!

(Blackbeard) What? **[Bb]** Black's the most spec**[C]** acular **[Am]** color!

(Parrot) Rawk. How about yellow?

(Blackbeard, Bluebeard and Redbeard) **[Dm]** / Arrrr!"

Intro: [Dm] /// /// /// ///

[Dm] Blackbeard and [Am] Bluebeard and [C] Redbeard, they [Gm] say
[Bb] Hijacked a [C] ship and went [Am] sailing a [A]way
[Dm] Seaward they [Am] scudded and [C] skipped on the [Gm] breeze
But [Bb] couldn't find [C] treasure to [Am] plunder and [Dm] seize

[Dm]

And a pirate without treasure is like a monkey
without a spatula...

So [Dm] Bluebeard said, [Am]"Since we've [C] nothing to [Gm] do
[Bb] Why don't we [C] paint our new [Am] pirate ship [A] blue?
[Dm] Blue for the [Am] poop deck. [C] Blue for the [Gm] sails
[Bb] Blue for the [C] rudder, the [Am] riggings and the [Dm] rails."

And he sang, [Dm] "Yo ho [Am] ho, let's [C] paint the ship [Gm] blue
[Bb] No other [C] color's as [Am] trusty and [A] true
As [Dm] sure as I [Am] sail by the [C] Northern [Gm] star,
[Bb] blue's the most [C] beautiful [Am] color. [Dm] Arrrr!"

/// /// /// ///

[Dm] Redbeard [Am] spoke up, saying, [C] "Aye, but in [Gm] stead
[Bb] wouldn't ye [C] rather we [Am] painted her [A] red?
[Dm] Red for the [Am] cannons and the [C] sodey-pop [Gm] kegs
[Dm] Red for our [C] eye-patches, [Am] parrots and [Dm] pegs."
(Parrot) Rawk! Pegleg.

And he sang, [Dm]"Yo ho [Am] ho, nothing's [C]quite like [Gm] red
It's [Bb] fearsome and [C] fiery and [Am] fills men with [A] dread
As [Dm] sure as I [Am] sail by the [C] Northern [Gm] star,
[Bb] Red's the most [C] radiant [Am] color. [Dm] Arrr!"
